Honorable Sir:

Reconsideration of the above-identified application is respectfully requested in  
light of the following remarks.

REMARKS

The Examiner rejected Claims 1-4, 6, and 21 as being anticipated by the Malita  
reference. These rejections are respectfully traversed.

Independent Claim 1 defines the invention as a method of installing a modular  
light assembly in a vehicle (emphasis added). The Malita reference, on the other hand,  
relates to a kit that uses LED units for retrofitting illuminated signs, such as an exit  
sign.
